

# 2022

# BADGER CROPS & SOILS UPDATE MEETING

## Achieving a Positive Return on Investment in an Era of High Input Costs (a.k.a Small steps, Big change)

Extension

UNIVERSITY OF WISCONSIN-MADISON

*The annual UW Agronomy, Pest Management and Soil, Water, and Nutrient Management meetings are moving to a new format this year! The program is offered as either a single day in-person session or a two-part virtual session.*

The meetings will present the latest information on agronomic, pest, and nutrient management research coming out of University of Wisconsin with a lens to on-farm application.

FOR REGISTRATION INFORMATION, GO TO:
